## OUR IMPACT: PLAQUEMINES SUCCESS STORY

When Hurricane Ida hit Plaquemines Parish, countless households faced significant destruction and a long, expensive road to recovery. Gas and critical supplies were hard to come by, and families needed immediate assistance to survive.

United Way of Southeast Louisiana and the Plaquemines Partnership YMCAs provided essential aid and legal assistance to struggling households through multiple relief pop-ups. The gift cards, meals, and supplies helped families weather the most difficult days and weeks following the storm.

Thanks to our donors, United Way and our partners are stepping up to respond as we always do. We're assisting people with immediate needs and helping communities recover and rebuild.

But we have so much more to do. **Together, we can make more impact in Plaquemines Parish than any one of us could create alone!**
