## OUR IMPACT: ST. BERNARD SUCCESS STORY

When the March tornado hit the Arabi community, dozens of households faced total destruction and a long, expensive road to recovery. Families' lives exploded before their eyes. Children were afraid to sleep; fearful another storm would strike.

United Way of Southeast Louisiana and volunteers immediately responded, raising funds to support recovery and providing on-the-ground aid and donated supplies to struggling families. UWSELA's community grants to the Community Center of St. Bernard and Arabi Elementary helped restock the center's freezers and students return to school safely.

Thanks to our donors, United Way and our partners are stepping up to respond as we always do. We're assisting people with immediate needs and helping communities like Arabi recover and rebuild.

But we have so much more to do. **Together, we can make more impact in St. Bernard Parish than any one of us could create alone!**
