OUR IMPACT: ST. BERNARD SUCCESS STORY

Health, education, and financial stability are the cornerstones of a good life. That's why United Way of Southeast Louisiana is committed to helping all our neighbors by providing programs and services dedicated to increasing access and support in these areas.

When *Lourdes** left her husband after years of traumatic mental and physical abuse, she knew she needed a safe place for her family to restart their lives.

With support from United Way SELA, the Family Violence Program of St. Bernard helped Lourdes secure housing, freedom from her abuser, education, and employment. Today, she is starting her career in health care while her children enjoy their new school, and together, they are thriving in their newfound independence.

With health, education, and financial stability securely in place, more families like Lourdes' can rebuild a stronger life and reimagine what's possible for the future.
