OUR IMPACT: ST. TAMMANY SUCCESS STORY

Health, education, and financial stability are the cornerstones of a good life. That's why United Way of Southeast Louisiana is committed to helping all our neighbors by providing programs and services dedicated to increasing access and support in these areas.

As a single mom, Chelsea* had to put her education and career plans to become a teacher on hold because child care costs were just too much for her limited budget. But when she heard about the resources accessible by just dialing 211, she decided to take a chance to see if assistance might be available to her.

Thanks to United Way SELA funding, 211 connected Chelsea to East St. Tammany Rainbow Child Care, who provided her with sliding-scale rates to make child care more affordable.

She has since graduated from college and is teaching bright young minds in Southeast Louisiana.

With health, education, and financial stability securely in place, more individuals like Chelsea can build a stronger life and reimagine what's possible for the future.
