OUR IMPACT: TANGIPAHOA SUCCESS STORY

Health, education, and financial stability are the cornerstones of a good life. That's why United Way of Southeast Louisiana is committed to helping all our neighbors by providing programs and services dedicated to increasing access and support in these areas.

When COVID-19 closed local senior centers, the Tangi Council on Aging quickly put a plan into place to ensure their clients received the daily meals and enrichment they needed to prevent pandemic-related loneliness and isolation.

With help from United Way SELA, the Council on Aging delivered meals, coloring books, puzzles, bingo games and prizes, craft projects, and words of encouragement to let their clients know someone cared.

Today, those individuals are returning to the centers with their friends and are grateful to have had support to keep them healthy and hopeful during lockdown.

With health, education, and financial stability securely in place, more children can build a stronger life and imagine what's possible for the future.
