

HOSPITALITY CARES PANDEMIC RESPONSE FUND

GRANT RECIPIENT WORKPLACES

United Way of Southeast Louisiana and the Louisiana Hospitality Foundation responded to COVID-19 by launching the Hospitality Cares Pandemic Response Fund, which provided needed critical funding to cash-strapped households, commonly referred to as ALICE® (Asset Limited, Income Constrained, Employed) out-of-work hospitality professionals.

The fund generated more than \$2.4 million in support with help from generous donors and corporate partners, including United Way of Southeast Louisiana's commitment of \$250,000 to support the fund.

Hospitality Thanks YOU!

"I moved here alone a year ago, so my restaurant and my guests are my family. To see the community come together like this, to take care of my industry during this hard time in our country, gives me so much hope and faith in humanity."

– Crisis Grant Recipient

"When the schools closed down I had to remove myself from the schedule to take care of my five-year-old – then to have our dining room shut down days later. It's been hard to deal with the stress and financial stress while trying to stay positive for your child and learning how to teach pre-k without bursting into tears. Thanks to the grant, I can breathe a little easier especially since schools have also shut down hot lunches for kids locally. We'll get through this together."

– Crisis Grant Recipient

"Before COVID-19, I was working full-time five days with a 40-hour work week for a hotel in downtown New Orleans. Once COVID-19 began to affect my city and the numbers began to grow rapidly, I was reduced to 20-25 hours per week - not knowing if soon I would be without a job. Last week my hours were cut again, and as of today I was furloughed. My daughter is presumptive positive with the COVID-19 virus and is still waiting for her results. I looked for the assistance through the Hospitality Cares Pandemic Response Fund so that I am able to provide for my grandkids and myself and I am soooooo thankful for United Way of Southeast Louisiana who was able to give me some relief and comfort in knowing that I will be able to provide the basic needs to my family with their assistance. I will forever be grateful!"

– Crisis Grant Recipient
