

MOVING FAMILIES FORWARD

Goal:

**PROMOTE FINANCIAL
WELLBEING IN
SOUTHEAST LOUISIANA**

United Way of Southeast Louisiana and the Siemer Institute are partnering to work with families facing financial hardship by pairing them with a case manager. United Way SELA case managers work with the family to encourage stability through the Prosperity Center by offering financial coaching, co-create budgets, financial goals, and financial assistance.

ABOUT OUR PROSPERITY CENTERS

United Way's Prosperity Centers

are a one-stop shop offering financial resources to residents in Jefferson, Orleans, Plaquemines, St. Bernard, St. Tammany, Washington, and Tangipahoa parishes. Our financial coaches are trained to meet families where they are and arm them with the necessary tools to reach their success level.
